16 - 18°C

Allergen notice  
Contains sulphites

Alcohol content  
14.5%

## Character

This well-balanced and long-lasting ruby-red wine reveals attractive purple reflections in the glass. It is highly elegant with fine, silky tannins, a harmonious structure, generous fruit and an unmistakable character. Intense aromas of cassis and redcurrant dominate the nose, while on the palate it is a substantial wine and reveals notes of vanilla and toast - the inclusion of a little Petit Verdot lends it an additional complexity. A concentrated wine with an intense character. Alpha M can be enjoyed straight away or laid down for 20 years.

## Wine type

Sweeter wines

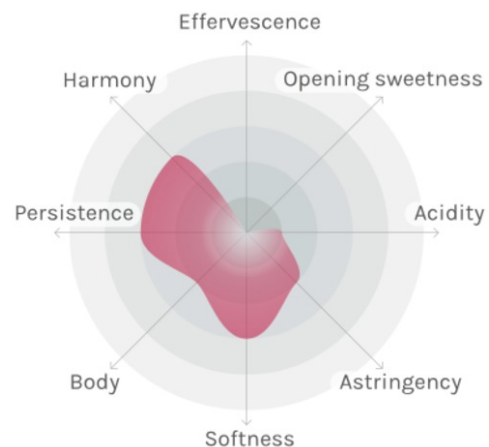

Balanced wines

Full-bodied wines

## Producer Montes

The guardian angel stands in the form of a statue in every Montes wine cellar to bring luck. Since its establishment, it has been the companion of the top winemaker Aurelio Montes, an outstanding personality, and extends its protective hand over the wonderful wines. Because of this and thanks to his profound sense for new terroirs and top wines, Aurelio Montes has made it onto the international wine calendar. He has discovered Chile's potential and produces wines of the highest quality. Today the Montes winery includes vineyards in Apalta, Marchigüe and the cooler Zapallar area. It is of course family-owned and family-managed by Aurelio Montes with the support of his son Aurelio Montes junior.

## Foodpairing

Grilled or fried lamb
