Contains sulphites

Alcohol content
5.7%

Character

A special delight for all kinds of occasions: a fine white wine, lively and fresh, mixed with a perfectly matched tonic. In the glass, an inimitable, harmonious, sparkling treat with fruity berry aromas and delicate citrus notes of green limes.

Wine type

Sweeter wines

Fresh wines

Producer

Vintonic

When the best wine and tonic meet, the result is an incomparable taste experience: VinTonic is fruity, spicy, with a fine bitter note on the palate and subtle carbonation. The two components, wine and tonic, blend perfectly to create an exceptional drinking experience. With an alcohol content of 5.7 % vol., VinTonic is pleasantly light and thus a pleasure for many occasions.
