Producer Masciarelli

Gianni and Marina Masciarelli began producing wine on almost two hectares of land in the Abruzzo village of San Martino with its 800 inhabitants. They loved Abruzzo, its extraordinary landscape, its fragrance, its colours, its intense flavours - everything which is reflected in the local products. The region, its culture and its wine tradition play an important role in the company philosophy. Today, Marina Cvetic manages the Masciarelli company and the new winery professionally and with great commitment.
