Serving temperature  
16 - 18°C

Allergen notice  
Contains sulphites

Alcohol content  
15%

## Character

A wonderfully well balanced, garnet-red cuvée with powerful aromas of ripe dark berries and cocoa, together with some notes of plum and dried fruit. On the palate it has an appealing freshness and a soft, very full body. Here, the dense fruit are joined by spicy notes of liquorice and clove; and with an incredibly sustained finish, the pleasure is complete.

## Wine type

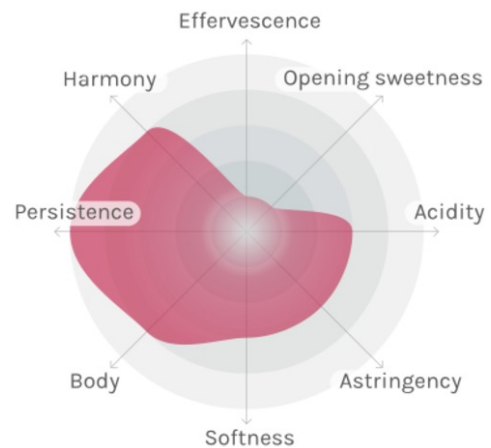

Sweeter wines

Balanced wines

Full-bodied wines

## Foodpairing
