Character

A yellow gleam and the intense aromas of pear, quince, citrus and exotic fruit characterise this very mellow and harmonious wine. On top of these come delicate notes of lime blossom and, on the palate, hints of honey. This full and fruity character is supported on a soft, round body and complemented by a pleasing finish.

Producer

Siddùra

The discovery of an abandoned ancient vineyard in the breathtaking landscape of Gallura inspired the winemakers of Siddùra to a new challenge and helped to realize an old dream. The Siddùra winery describes itself as a declaration of love for Sardinia, a tribute to the purity, simplicity and tradition of the island. A perfect combination of soil, terroir and weather in the midst of nature, close to the sea, produces the uniquely distinctive wines.
