Producer

Domaine Lafage

Between the sea and mountains, en route between Perpignan and the Mediterranean coast, Domaine Lafage is headquartered in an old stone country house from the 15th century. After six generations of winemaking, the winery is now managed by Jean-Marc and Éliane Lafage, a couple of experienced oenologists, whose cellar has been completely rebuilt and is thus perfectly equipped according to the current international state-of-the-art technology. The vines thrive on diverse, varied terroir. With the support of highly qualified employees, the Lafages process them into modern, trendy wines.
