Les Jamelles

Connoisseurs worldwide delight in the fine, mainly single-variety, terroir-marked wines of the Les-Jamelles series from the family business Badet-Clément in Languedoc-Roussillon. The company works with different winegrowers from the region and presses its wines at the new, modern winery near the Canal du Midi. The result is regular awards at competitions, praise from the international press for quality and originality as well as the ascent of Badet-Clément towards becoming one of the most successful French wine exporters.
