Contains sulphites

Alcohol content
14.5%

Character

A deep red colour and a breathtakingly powerful complex of fig, raisin and prune aromas, complemented by notes of ripe dark berries and wonderfully intense elements of spice and cocoa and toast, with an appealing freshness in the mouth: this extremely soft and full-bodied wine will impress all with its uncompromising aromatic profile, rounded off by an unforgettably long finish.

Wine type

Balanced wines

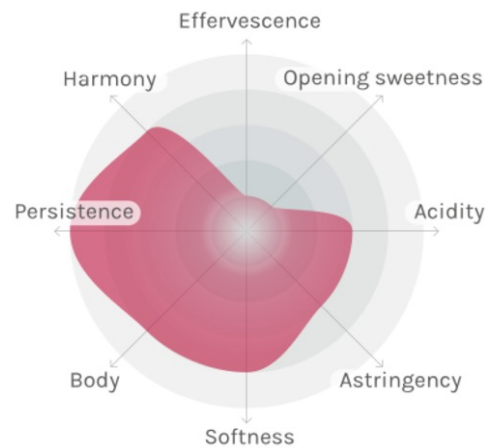

Lingering wines

Full-bodied wines
