

# Il Barone, 2021

Piemonte Rosso DOC

Country of origin  
Italy

Grapes  
Barbera

Serving temperature  
16 - 18°C

Allergen notice  
Contains sulphites

Alcohol content  
14%

## Character

A balanced ruby-red wine with a complex bouquet of elderberry and raisin, alongside hints of cocoa and chocolate. On the palate it has a full-bodied flavour with juicy tannins, a terrific presence of fruit, some pleasing roasted notes and a lengthy, persistent finish.

## Wine type

Balanced wines

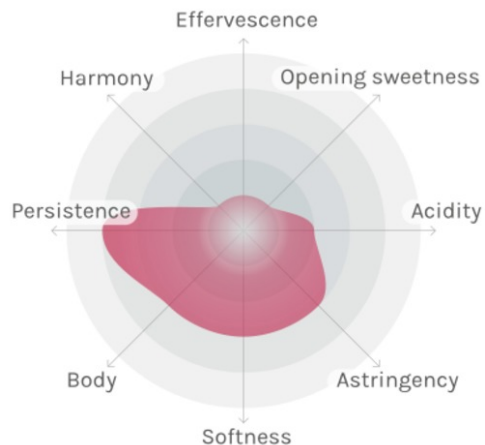

Lingering wines

## Producer

### Il Barone

A wine from Piedmont whose smoothness, opulence and fruity fullness delight the senses? Il Barone accomplishes this feat. It combines characteristics that are generally associated with more southerly regions. It succeeds because the Barbera grapevines thrive on small, carefully cultivated parcels that are exposed to optimal sunlight on the Piedmontese hillsides. In order to maximise concentration, the grapes are harvested late. High-quality, hand-picked yields and ripening at controlled temperatures serve to bring the aromas of this esteemed grape variety to perfect expression.

## Foodpairing

Grilled or fried beef
