### Rocche'n Roll by RDM

Are you ready for Rocche'n Roll? Then get ready for something new from the pioneer of the Langhe. With Rocche'n Roll, veteran winemaker Rodolfo Migliorini has brought the lions of the Rocche dei Manzoni winery to life. Inspired by a passion for music, he enters the big stage of pleasure with a new, rocking Piedmont Collection. The spotlight is on modern, fruity wines that break with Piedmont's long tradition. Both in terms of grape varieties and production methods.
