Contains sulphites

Alcohol content
12.5%

Character

The first notes to reach the nose are floral, followed by peach, apricot, quince and a touch of pear. In the mouth these aromas are again prominent, with the addition of berries, exotic fruit and a little citrus, together with a hint of dried fruit. The wine has a slight pétillance and an appealing freshness; it is unbelievably mellow and harmonious, and rounded off by a long finish.

Wine type

Fresh wines

Sweeter wines

Balanced wines
